Dear Trivia Bee Captain:

Thank you for participating in this year's WFE Trivia Bee. Get ready for what promises to be a fun evening!

Below are just a few details of the night to share with your team:

- The Bee will begin promptly at 7:00pm. The first round is for 5th grade participants only. Please arrive by **6:40** at the latest! Light snacks and beverages will be provided for team members.
- We encourage you to come dressed in team colors, themes or as bees! The best dressed team will receive a small prize!
- The format will be the same as last year. In each round, all teams will be given 7 questions to answer. The team with the most questions answered correctly wins the round. If any teams are tied after the 7 questions, those teams will go to a "sudden death" format. The winning team from each round will move on to the final Championship Round.
- Questions will call upon general knowledge and come from categories that include: Arts & Science, Geography, History and Pop Culture and again this year – one WFE related question! Please check the WFE website to find out which downtown businesses have displayed the Trivia BEE Trophy. In order to be fair to out-of-towners, we will not include questions on local trivia.
- The Bee will be televised live on WINCAM cable TV and publicized in the local papers. Bring along your friends and family and above all, bring your sense of humor!

Thank you again for your generous support of WFE! See you on Wednesday February 9th at Town Hall!
